FISCAL NOTE

HB 2209 - SB 2140

February 14, 2020

SUMMARY OF BILL: Repeals the Tennessee Egg Law which established a licensure system for certain persons who buy, sell, trade, traffic, or process eggs in Tennessee.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information from the Department of Agriculture (TDA), this bill removes an antiquated and largely obsolete law.
- The businesses that were once covered by the Egg Law now fall under the Food, Drug, and Cosmetic Act.
- Based on information from the TDA, no fees have been paid, nor licenses issued under the Egg Law for several years; therefore, this legislation is estimated to have no significant impact on state government.
